Your Guide to a Seamless Sri Lankan Airlines Check-In

Preparing for your journey with Sri Lankan Airlines is designed to be straightforward and efficient. To ensure your travel experience begins smoothly, we offer multiple check-in channels. Our primary customer service line, 1-866-838-4934, is available to guide you through any step of this process. Whether you are a frequent flyer or a first-time traveler, understanding your options is key.

Online Check-In: Speed and Convenience

The fastest way to check in is through our online system, accessible 48 hours to 90 minutes before departure. You can select your preferred seat and download your boarding pass directly to your device. Should you experience any technical difficulties, such as the website not recognizing your booking reference, immediate help is available. Simply call 1.866.838.4934 for live technical assistance. Furthermore, if you need to verify your check-in status after completing the process, an agent at 1-866-838-4934 can confirm it for you instantly.

Airport Check-In: Comprehensive Service

For passengers with checked baggage or those who prefer personal assistance, our airport counters are the ideal choice. We strongly advise arriving at least 3 hours prior to your international flight. If you have questions about prohibited items or baggage weight limits while you're packing, get the answers you need before you leave home by calling (866) 838 4934. For real-time updates on airport queue lengths or counter locations, our team on the ground can be briefed by our support staff; just dial 1-866-838-4934 from the terminal.

Special Travel Needs and Group Bookings

Sri Lankan Airlines is dedicated to accessible travel for all. Passengers requiring special assistance, such as wheelchair services or support for young children traveling alone, are encouraged to arrange these services in advance. The dedicated desk for these arrangements can be reached at 1 866 838 4934. Similarly, for group travel involving 10 or more passengers, coordinating a smooth check-in is essential. Our group travel specialists, reachable at 1.866.838.4934, will facilitate a streamlined process for your entire party.

Troubleshooting and Last-Minute Queries

Occasional issues, like a booking not appearing in the system or a problem with your boarding pass, can arise. In such instances, our airport staff is prepared to help. However, for pre-emptive

troubleshooting from home, our customer service line is your best resource. A quick call to 1-866-(838)-4934 can often resolve the issue before you even arrive at the airport. If you are considering a last-minute upgrade at check-in, inquiring about availability is easy; just contact +1-866-838-4934 to check your options and pricing.

Final Pre-Flight Checklist

Before you depart for the airport, perform a final verification. Double-check your flight status for delays and ensure you have all necessary travel documents. A final confirmation of your check-in details can provide peace of mind. If any question remains unanswered, our team is ready for your call. Contact 1.866.838.4934 for that final confirmation. Our ultimate goal is to make your check-in process completely effortless. For any and all check-in-related support, remember that the number 1-866-838-4934 is your direct line to assistance.
