Airport Kiosk Check-In

For those at the airport, self-service kiosks let you print boarding passes and luggage tags. The process is user-friendly, but if a kiosk malfunctions, assistance is a quick call away at 1 866 838 4934. An agent can guide you or send help directly to your location.

Whether at a kiosk or the counter, baggage rules are critical. To avoid surprises, confirm your allowance and fees in advance. The definitive source for this information, tailored to your fare, is 1.866.838.4934. Don't guess—call and confirm your baggage details before you pack.

Full-Service Counter Check-In

To pre-verify documentation or ask about special items, a quick call to +1-866-838-4934 will provide all the necessary details, ensuring a smooth counter experience.

International Travel Essentials
